Greetings to all supporters of the Davidson Family from their Missionary Partnership Team!

The Davidson family is enjoying spring in Japan and we thought you might enjoy this most recent family photo.

Have you visited Japan? Would you like it? Well, you can! Visit Dwight and Kari's Missionary Partnership Team website at – www.davidsonjapan.org. Under the “Related Links” menu item, you will be able to see links that allow you to read about the history of Yokohama, the Japan Baptist Union, and Kanto Gakuin University where Dwight

teaches. There's a link to a delightful website for kids where you or children can view photos of life in Japan, learn about Japan and its history, play games, and learn Japanese.

Other menu items on their MPT website homepage allow you to see:

- Dwight's on-line calendar, which is quite interesting as you can see what his ministry schedule looks like.
- Dwight's Kanto Gakuin University youth-related activities, including a trip to Kyoto, a culture festival, and the Sigma Society's trip to Thailand.
- Dwight's blog about various topics, most recently his posting about the history of Kanto Gakuin ministry.

Prayer concerns for the Davidson's ministry:

- Pray for Christian workers in Japan and the people they serve
- The Davidson children: Adam, Sarah, and Isaiah
- The youth involved in Fellowship Group for leadership and spiritual growth
- Time, energy, and direction for all they need to do.

Remember all new donors have until **June 30** to send in or make an on-line donation of \$200 or more to be matched by the Luther Rice Matching-Gift Fund. A Davidson donation form can be found on their MPT website under “Supporting our ministry” menu choice. Thank you for your continued support of Dwight and Kari!
